Contains alcohol

Hot strong coffee with Irish whiskey and brown sugar, topped with lightly whipped cream. Contains alcohol.

Ingredients

- 200 ml hot strong coffee
- 40 ml Irish whiskey
- 2 tsp soft brown sugar
- 50 ml double cream, lightly whipped so it still pours

Method

1. Warm a heatproof glass with hot water, then pour the water away.
2. Add the sugar and hot coffee and stir until the sugar has dissolved.
3. Stir in the whiskey.
4. Pour the cream slowly over the back of a spoon so it floats on top.
5. Do not stir. Drink the coffee through the layer of cream.

Cook's tip

Cream that is only lightly whipped floats better than cream that is stiff. Contains alcohol: for adults only.
